Alex, Irvin @ BttF sent response earlier today and it has a step by step of how you can withdraw - seems like you are only the person who can do it. You are included in the email, but just to bring this on the top of your inbox, I will "forward" this email to you right now.

Hi Alex. let me try this again. The letter/invoice from Yankwitt, the amount of 5,849.45, is this something that we spent on

AMV research work? We need the job description attached to a legal bill like this, so before paying, trying to confirm with you. Also, if indeed that is it, then we need the wiring information from them. There is no email in the letter. I suppose we can give them a call but if you happen to have it, please send over. thank you

This was related to an agreement I had to sign and I needed my own lawyer since the company would not represent me. Roni knows the details. It is AMV agreement.

2020-10-21 04:15:52.000 PM

Ok. Would you happen to have their bank details? Or email address? Then I can check the wiring info

16462710003@s.whatsapp.net Harumi Urata-Thompson

2020-10-21 04:16:31.000 PM

Perfect. When they do (I assume you are only the one to get the notification) please let me know how much of what we should be expecting. Then we will confirm on our side

16462710003@s.whatsapp.net Harumi Urata-Thompson

2020-10-21 04:17:02.000 PM

I assume they will hold back a chunk of funds still as they told me that they are still conducting diligence of a number of investors
